

Product Datasheet

Product code: **EX420**

Product type: Micro-shears and Micro-pliers

Made in: USA

Description: EX420 is an angled micro shear flush cutter. Its slim profile allows easy access to cut in limited working areas. In addition, its angled head provides excellent visibility when used in either vertical or horizontal position. Its shears employ a unique technology to carry out a clean and smooth cut. Providing this cutter with anti-shock shear cut features, in fact, this system greatly reduces mechanical shock to the component and requires the operator less effort to perform the cut. The shears are equipped with an ESD Ergo-tek handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharges.

Head description: Angled Micro, Shear

Cutting edges: Flush

Cutting capacity: soft wire 0.80 mm (20 AWG)

Body material: Carbon Steel (C)

Handle material: TPE + PP

Picture:

Dimensions:	OAL (A)	125.0 mm – 4.921 inch
	Width	48.0 mm – 1.890 inch
	Height	13.0 mm – 0.512 inch

Head dimensions:	Width (C)	14.0 mm – 0.551 inch
	Thickness (D)	6.4 mm – 0.252 inch
	B	5.0 mm – 0.197 inch
