

Product Datasheet

Product code: **MPTSP2**

Product type: Stainless steel probes

Made in: Pakistan

Description: MPTSP2 Stainless steel probe is suitable to scrape hard components. With its single tip rounded body, the MPTSP2 is an auxiliary tool used for soldering, inspecting and gluing. The pointed tip allows access in small working areas. The bent geometry provides maximum visibility and increased ergonomics. Stainless Steel probes are rust-free and equipped with knurled handles which prevent any possible slips.

Tip description: angled needle

Body material: Stainless Steel (S)
